Hi- Tech Combustion

https://www.industrialoilgasburner.com/

We are a manufacturer, supplier, and exporter of oil burners, gas burners, duel fuel burners and combustion Components for all type of heating systems or heat generator. We offering extremely high efficient burners and combustion equipment.
About Us

Established in the year 2005, we, Hi Tech Combustion, are one of the distinguished manufacturers, exporters and suppliers of Oil Fired Burners and Gas Fired Burners. In addition, we also offer to our clients superior range of Industrial Burners. These products are precisely engineered by our expert workforce and find application in Engineering, Petrochemical, Chemical, Power, Cement, Sugar, food processing, textiles, pharma, paper, printing, agriculture, hotel, shiping, ceramics, glass, wood, laminates, timber, foundries, furnaces, metal industries, forging, farrous and non farrous industries, aluminium industries, hospital, incinerators, rolling mills, Boiler and power Industries. Our product range has gained immense popularity across the globe for efficient and safety, durability, better work life, reliability and effective performance. With the assistance of our expert professionals, we are also able to provide efficient maintenance and installation services to our clients. Owing to the high-grade raw material that we use while designing and developing the range, we have set benchmarks of the quality of our products. Our organization specializes in the field of industrial heating technologies. The entire range of combustion systems, burners and accessories for combustion systems is at par with the set international standards. In addition, our entire range is tested for various parameters by our expert workmanship to ensure a fault free end product. All our experts are...
GAS BURNER

Products

Waste Gas Burner

Producer Gas Burner

Blast Furnace Gas Burner

Gas Burners
OIL BURNERS

LDO Fired Burner

Modulating Oil Burner

Heavy Oil Burner

Light Oil Burner
DIESEL BURNER

Fuel Oil Burner

Compact Diesel Burner

Diesel Burner
PILOT BURNER

- Pilot Furnace Burner
- Bio-Mass Pellet Burner
- Pellet Burner
- Flare ignition Systems and Pilot Burners
INDUSTRIAL OVEN BURNER

- Industrial Oven Burner
- Drying Oven Burner
- Industrial Usage Oven Burner
- Gas Oven Burner
Steam Boiler Burner

Steam Boiler Gas Burner

Steam Boiler
BURNER FUEL PUMP

Danfoss Make Oil Pump

Danfoss Fuel Oil Pump

Suntec Fuel Pump
IGNITION TRANSFORMERS FOR BURNERS

- Brahma Ignition Transformers
- Cofi Ignition Transformer
- FIDA Ignition Transformers
- Ignition Transformer
PRE-HEATING FURNACE BURNERS

Heat Treatment FO Burners

FS 10 Gas Burner

Metal Melting Furnace Burner
**BURNER CONTROLLER**

- Gas Burner Controller
- Industrial Gas Burner Controller
- LGB Siemens Burner Controller
- Gas Burner Controller
BURNER PARTS

- Ignition Cable
- Motor For Air Damper
- Hot Air Generator
- Gas Burner Solenoid Valve
ECOFLAM BURNER

- Eco Flame Burner
- Ecoflame Minor 20 Oil Burner
- Ecoflame Minor 30 Oil Burner
- Ecoflame Max Gas 250 Burner
NEW ITEMS

SQM Servo Motor

G 10 Oil Burner

G5 Oil Burner

Sqn Siemens Servomotor
